Dress: Civilian clothes.

Route: Via Chapel Street and Derby Avenue to Merritt Parkway.

Rest stop will be made at the Greenwich Gas Station (last station on the Connecticut side) approximately forty miles. (Look for the Greenwich sign, this gas station is right after the second toll booth).

After crossing the New York State border, watch for left hand turn approximately 10 miles after crossing border. (Sign will read "To Long Island and East Side").

Proceed on this highway for approximately 10-15 miles till within sight of Whitestone Bridge and watch for right hand turn BRUCKNER BLVD.

Proceed on Bruckner Blvd, watching for TRIBORO BRIDGE sign. (Drive with caution on Bruckner Blvd. Cross street traffic is heavy and lights are difficult to see in time to stop. THERE ARE NO CAUTION LIGHTS.

On the approach to the Triboro Bridge bear to the right, watching for signs indicating FAST SIDE DRIVE or F.O.R. Drive. Traffic at this point is very heavy, so don't get in the left hand lane.

When on the bridge, again watch for signs indicating East Side Drive. Once on the drive, proceed south to approximately 16th Street when you will suddenly see the U.N. Building. Proceed into the basement garage and tell the guard on duty that you are with the Yale University party.

Drivers of cars will give the guard the copy of their name list, and indicate to him which is their group. In this way all cars can be paid for by Mr. Tharp.

NOTE TO DRIVERS: Try to get to the U.N. Building not later than 1015 hrs. and preferably let Mr. Tharp get there first to arrange for the parking.

AT THE U.N.:

After parking cars, take the elevator to the Visitor's Service Area 1st Basement. You will find the Post Office, Shopping area and Rest Rooms at this level.

All students will gather at the Main Lobby Information Desk area not later than 1020 hrs. for tour of the building.

U.N. TOUR:

Tour of the U.N. Building will start at 1030 hrs, with the group being divided up into four smaller groups which will proceed independently. Students will maintain a dignified attitude at all times during the tour and refrain from familiarities with the guides, or loud talking. Close attention will be

paid to the lecture given by the guides.

Upon termination of the tour, groups will wait in the lower lobby (near Post Office where tour terminates till all have re-assembled then proceed to a Briefing in Chinese by Mr. Stanley Ho, of the Department of Political and Security Council Affairs. (Approximately 1130 hrs.)

During the briefing which will take the form of a short lecture on the United Nations, students will endeavour to pay close attention to what is being said, and to show every courtesy to the speaker. Questions will be welcomed at the end of the talk.

LUNCHEON:

A Chinese luncheon is planned at the TIENSIN RESTAURANT, corner of Broadway and 125th Street at 1300hrs.

The fastest route is to return by way of the East Side Drive to 125th Street.

Driver's Note: Best way to get back on East Side Drive is to turn right when exiting from the U.N. Building, turn right again on 41st street, come back in front of the U.N. Building, and bear right again, watching for large sign indicating F.D.R. Drive (Better still, follow Mr. Tharp.) Parking near the restaurant is difficult, and is metered. Be sure you don't get ticketed.

The luncheon will be served at approximately 1230 hrs. Students will find an abundance of food, with approximately eight different courses. One large dish of each kind will be placed on the center of the table. This is designed to serve all at that table, so either pass it around so that all get their share, or reach to the center of the table with spoon or chopsticks and help yourself. The restaurant guarantees that no one goes away hungry, so if you do, it is your own fault.

Chopsticks will be available both for your use and for PURCHASE after the meal if you so wish. PLEASE DO NOT APPROPRIATE THE CHOPSTICKS YOU USE, we wish to maintain cordial relations with the management. A pair of chopsticks will be sold to you for 20 cents upon request.

A Souvenir Chinese Menu will be issued to each student before the trip, and you may thus ascertain what it is that you are eating by checking with the menu.

After the luncheon all cars will proceed independently back to New Haven.
